RESPONSE TO JUDGES DECISION NOT TO APPOINT ATTORNEY

Dear Honorable Judge William H. Alsup:

I have attempted to find an Attorney to represent me in this matter since July 06 to present. I even called EEOC in the San Francisco area, sent me a compiled list of all the employment attorney I couldn't afford to pay because I not working at this time I was severally injured physically and emotionally on the job so I don't and haven't had an income since 2006. I contacted private attorney I only received no you have a lot going on. I don't know if they are afraid because it's the Federal Government and will receive a backlash. When I tell the attorney that I hadn't passed probation, even stating that I was fired fraudulently I could get an attorney to take my case. I even contacted www.legalmatch.com no success in obtaining an attorney for this case. My civil rights have been violated after I complained I was terminated from my job with the Post Office fraudulently. I can easily prove this with the supporting evidence. I just don't want to loose my case because I'm not represented. I beg you and plead with the court to appoint me an attorney. Enclosed is response from Price and Associates who denied me representation. The other attorneys denied me over the phone. I when up and down the list that EEOC sent me.

Sincerely,

Katherine Williams

Dear Ms. Williams:

Thank you for contacting Price And Associates regarding legal representation. Enclosed is some information about our Firm and a Potential Client Questionnaire. This letter will also provide you with some information about our client intake process.

Our intake process has three steps. The first step is to complete the enclosed Potential Client Questionnaire and return it to us in the enclosed self-addressed envelope. Try to be as complete as possible. If you don't understand a question, however, simply skip that question and give us the rest of the information. Once we receive and review your information, if it looks like we can help you, one of my staff will call or e-mail you, either to request more information or to schedule an appointment. If we are not able to assist you, we will send you a letter declining to represent you and possibly referring you to someone else. If we don't receive your questionnaire within two weeks, we will remove your name from our list of potential clients.

Our intake process usually takes about three weeks, except in case of an emergency. If you believe you have an emergency or urgent deadline, please call the office and let us know. My decision whether to represent you will be based upon our caseload at the time, what type of case you have, what court your case can be filed in, and any time constraints associated with your case.

We need to know who is responsible for your problem, when it happened, are there any time constraints with your case, who are your witnesses, and are there any significant documents that we should review to understand what happened. When you receive a call from our intake person, it is very important that you call him back as soon as possible, and if possible, leave a daytime telephone number where he can reach you.

Thank you so much for calling us. One of our primary goals is to provide access to justice. We appreciate your call and the opportunity to serve you.

Very truly yours,

PRICE AND ASSOCIATES

Re: Wrongful Termination, Sexual Harassment, and Race Discrimination Claims

Dear Ms. Williams:

After careful review and consideration, I have concluded that it is not feasible for my Firm to represent you in connection with your wrongful termination, sex harassment, and race discrimination claims against the United States Postal Service Bay Valley District.

This letter is not intended to be an opinion concerning the merits of your case. I am not expressing an opinion as to whether you should take further action in this matter. I am merely indicating that we will be unable to represent you.

You should IMMEDIATELY contact another attorney to obtain legal representation. You should be aware that there are strict time limits within which you must act in order to protect your rights in this matter. These time limits are complex and vary for different types of legal actions. YOU SHOULD ACT IMMEDIATELY IF YOU WISH TO PURSUE THIS MATTER.

Thank you for considering my Firm. I regret that we could not take your case, and hope that you will be able to find and retain another attorney to represent you in this matter.

Very truly yours,

PRICE AND ASSOCIATES
